E. J. ASHBY DEAD

Prominent Madisonville Man Dies
Suddenly—Family Grief
Stricken

BURIAL AT GRAPE VINE TOMORROW.

E. J. Ashby, one of the most prominent merchants of Madisonville, died suddenly at his home in that city at 6:30 this morning. Mr. Ashby has been in wretched health for a number of years and has for some time been in the habit of taking medicine to produce sleep, it is supposed he took an over dose last night and it effected his heart. Mrs. Ashby when interviewed by the Bee said, "my husband arose at the usual time and went to the wood shed for kindling when he did not return, we became uneasy and Bacon and I went to hunt for him, Bacon found him in the woodshed unable to talk and unconscious. We at once summoned Dr. Hammack. Mr. Ashby lived a few minutes after the physician's arrival."

Mr. Ashby was a quiet unassuming christian gentleman, a leading member in the Presbyterian church and prominent in Sunday School work. He leaves a wife and two children J. Bacon and Mary Francis, one brother and a sister, of Hanson, country. He was a very successful business man and was well fixed financially. The funeral will take place at Grapevine Saturday. The family are heart broken and the entire community shocked over his sudden and unexpected death.

Accused of Stealing.

E. E. Chamberlain, of Clinton, Mo., boldly accuses Bucklen's Arnica Salve of stealing—the sting from burns or scalds—the pain from sores of all kinds—the distress from boils or piles. "It robs cuts, corns, bruises, sprains and injuries of their terror," he says, "as a healing remedy its equal don't exist." Only 25c at all druggists.

The City Council of the City of Earlington, Ky., do Ordain as follows:

Sec. 1.—The duties of the city attorney be fixed as follows:

He shall prosecute all contested cases pending in the Police Court of the City, and shall not directly or indirectly accept any employment in any civil or criminal case adverse to the interest of the City.

Sec. 2.—The salary of the City Attorney shall be and is fixed at Sixty Dollars (\$60.00) per year, payable quarterly, counting from and after January 1, 1911.

H. C. BOURLAND,

Mayor.

Earlington, Ky., Feb. 6, 1911.

Attest: PAUL P. PRIOR,
City Clerk.

Governor of Kentucky Endorses "Back Home" Movement.

Johnson City, Tenn., Feb. 4.—The following letter has been received at the offices of the industrial department of the California, Clinchfield and Ohio railway in this city:

STATE OF KENTUCKY.
Executive Department.
FRANKFORT.

February 1, 1911.

Mr. W. D. Roberts,
Johnson City, Tenn.
My Dear Mr. Roberts:—

I like very much your slogan of the South and your address on the co-operation of railroads in Southern Immigration. The emigration from Kentucky, of which I have a good deal of knowledge, is incredible in its extent. Kentucky has really settled and has a great hand in the government of all the States West and the whole Northwest to the Pacific Ocean. It has furnished 106 Governors of others States and Territories, of whom I have the names, 105 in a published book and the 106th is the last Governor of Oklahoma, Governor Lee Cruce, and I think that taking the proportion of other citizens to Governors in any State, it is a reasonable inference that if we had kept the people who had emigrated from Kentucky, our State today would have 5,000,000 people and be one of the richest States in the Union. We have plenty of good land not half worked. We can support 10,000,000 people in Kentucky if our resources are properly developed, and if our people will come "back home" from the West and the North and the Northwest or a small percentage of them, it will make the State much better, greater, stronger, happier and more useful and prosperous for all.

Yours Truly,
AUGUSTUS E. WILLSON,
Governor of Kentucky.

A healthy man is a king in his own right; an unhealthy man is an unhappy slave. Burdock Blood Bitters builds up sound health—keep you well.

Young Local Actress Her Own Press Agent.

Gladys Cook, one of Evansville's well known young amateur vaudeville performers, is her own "best press agent."

When Miss Gladys is not tripping to the strains of a dreamy waltz or singing a popular ditty at the Orpheum she is usually in demand at one of the smaller towns in the neighborhood of Evansville.

She has filled engagements at Boonville, Earlington, Henderson, Princeton and most all of the towns within easy reach of Evansville.

When the young Miss reaches a hotel at a town where she has an engagement she at once gets busy entertaining the guests and it is not long until the word goes out that a regular actor girl is singing and dancing in the hotel parlor.

Presto! The hotel is filled with a gaping crowd anxious to see the little singer and dancer.

She doesn't show them all of her stunts or sing all her songs. She just gives them enough of a taste to make them dig up the price of a ticket for the evening show.

Now, who says this little Evansville actress needs a press agent?

This charming little Soubrette has frequently been seen at Temple Theatre here, and has sung and danced her way into the hearts of even the most blasé theatre-goers of our city. She has always played to full house here, and needs no introduction to our readers. It is only a question of time until she will star in some big musical production, as she is one of the best little actresses ever seen on the local boards.

RELIEF FOR
THE CHINESEPresident Taft Issues Urgent Call
For Aid of Suffering Orient.John B. Atkinson, Member of Kentucky
Red Cross Board Raising Funds.

Washington, Feb. 15.—President Taft issued the following proclamation today calling for funds to aid the famine sufferers in China:

"As President of the American Red Cross, I appeal to the people of this country to aid the unfortunate multitudes who are dying of starvation because of famine in China, either by money contributions, which should be sent to the local Red Cross treasurers or to the Red Cross, Washington, D. C., or by assisting in raising a cargo of flour and other suitable supplies to be sent to these people. Congress has granted the use of an army transport to the Red Cross for the purpose. The Seattle Commercial Club, of Seattle, Wash., is co-operating with the Red Cross and will act as receiving and forwarding agent for all supplies. I trust that our people will respond generously and that the transportation lines will aid in the delivery to Seattle. (Signed)

"WM. H. TAFT."

Mr. John B. Atkinson is a member of the Kentucky Board of the American Red Cross and will receive and forward any contributions offered for this good purpose. He has already forwarded some funds and would like to see Earlington and Hopkins county substantially represented in this movement for relief of the suffering Chinese. The Kentucky Red Cross Board is made up of the following:

Pres. Hon. Augustus E. Willson, Frankfort.
Treas. Logan C. Murry, Louisville.
Secy. Miss Nora R. Brown, Frankfort.
John B. Atkinson, Earlington.
Bernard Bernheim, Louisville.
Desha Breckinridge, Lexington.
Wylbur F. Browder, Russellville.
Chas. E. Hoge, Frankfort.
Wm. H. Mackoy, Covington.

Thirty Years Together.

Thirty years of association—think of it. How the merit of a good thing stands out in that time—or the worthlessness of a bad one. So there's no guesswork in this evidence of Thos. Ariss, Concord, Mich., who writes: "I have used Dr. King's New Discovery for 30 years, and its best cough and cold cure I ever used." Once it finds entrance in a home you can't pry it out. Many families have used it for forty years. It's the most infallible throat and lung medicine on earth. Unequaled for lagrippe, asthma, hay-fever, croup, quinsy or sore lungs. Price 50c, \$1.00. Trial bottle free. Guaranteed by all druggists.

Division Passenger Agent is a Woman.

Davenport, Iowa, Feb. 15.—Miss Daisy Oden, for several years chief clerk of the Davenport passenger office of the Chicago, Burlington & Quincy railroad, has been appointed division passenger agent, the first woman so far as local railroad men know to occupy such a position in the United States.

Her territory extends from Watertown, Ill., to Bettendorf, Iowa, and includes the Tri-Cities and suburbs with a population of 150,000 people.

If troubled with indigestion, constipation, no appetite or feel bloats, give Chamberlain's Stomach and Liver Tablets a trial and you will be pleased with the result. These tablets invigorate the stomach and liver and strengthen the digestion. Sold by Geo. King & Sons.

Attack Like Tigers.

In fighting to keep the blood pure the white corpuscles attack disease germs like tigers. But often germs multiply so fast the little fighters are overcome. Then see pimples, boils, eczema, salt-rheum and sores multiply and strength and appetite fall. This condition demands Electric Bitters to regulate stomach, liver and kidneys and to expel poisons from the blood. "They are the best blood purifier," writes C. T. Budahn, of Tracy, Calif. Stone in Bladder Removed Without Surgical Operation

In the Spring of 1904, I was confined to my bed with kidney trouble and thought that I would never recover. I took a lot of medicine but did not realize any benefit from anything. I finally saw Dr. Kilmer's Swamp-Root advertisement and sent for a sample bottle and thought the sample bottle helped me, so I bought more of the medicine from my Druggist and after using a few bottles discharged a very large stone from my bladder. After passing this stone my health was very much improved and I have been able to continue my business without any serious sickness.

Woman's Danger Periods Made Safe

By Lydia E. Pinkham's Vegetable Compound

The Change of Life is the most critical period of a woman's existence, and neglect of health at this time invites disease.

Women everywhere should remember that there is no other remedy known to medicine that will so successfully carry women through this trying period as Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs. Here is proof:

Natick, Mass.—"I cannot express what I went through during the Change of Life before I tried Lydia E. Pinkham's Vegetable Compound. I was in such a nervous condition I could not keep still. My limbs were cold. I had creepy sensations and could not sleep nights. I was finally told by two physicians that I had a tumor.

"I read one day of the wonderful cures made by Lydia E. Pinkham's Vegetable Compound and decided to try it, and it has made me a well woman. My neighbors and friends declare it has worked a miracle for me. Lydia E. Pinkham's Vegetable Compound is worth its weight in gold for women during this period of life. If it will help others you may publish this letter."—Mrs. Nathan B. Grenton, 51 No. Main St., Natick, Mass.

ANOTHER SIMILAR CASE.

Cornwallville, N. Y.—"I have been taking Lydia E. Pinkham's Vegetable Compound for some time for Change of Life, nervousness, and a fibroid growth.

"Two doctors advised me to go to the hospital, but one day while I was away visiting, I met a woman who told me to take Lydia E. Pinkham's Vegetable Compound. I did so and I know it helped me wonderfully. I am very thankful that I was told to try Lydia E. Pinkham's Vegetable Compound."—Mrs. Wm. Boughton, Cornwallville, N. Y., Greene Co.

The makers of Lydia E. Pinkham's Vegetable Compound have thousands of such letters as those above—they tell the truth, else they could not have been obtained for love or money. This medicine is no stranger—it has stood the test for years.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No sick woman does justice to herself who will not try this famous medicine. Made exclusively from roots and herbs, and has thousands of cures to its credit.

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health free of charge. Address Mrs. Pinkham, Lynn, Mass.

BROUGHT TO LIGHT

Earlington People Receiving the Full Benefit.

There have been many cases like the following in Earlington. Everyone relates the experience of people we know. These plain, straightforward statements will do much toward relieving the suffering of thousands. Such testimony will be read with interest by many people.

Mrs. R. A. Smith, of Wilson's street, Earlington, Ky., says: "I am glad to publicly recommend Doan's Kidney Pills. My kidneys were badly disordered and the pains in my back were so acute that I could not stoop without suffering severely. The pain often extended into my sides and became more severe if I stood for awhile. I had dizzy spells and many times was forced to grasp something in order to steady myself. I also suffered from terrible headaches and many days could scarcely get out of bed. I can safely say that I spent more than one hundred dollars for medicines and doctors' treatments, but I obtained scarcely any benefit. On the advice of a friend, I procured a box of Doan's Kidney Pills at the St. Bernard Drug Store, and began their use. This remedy cured me in less than two weeks."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

YOU TRY Bloodine

**We Know
-BLOODINE-
Will Help You
To Regain Your Strength
and Energy.**

**Report of the Head Physician in
a Leading New York Hospital
on the Cure of Catarrh.**

"A few years ago we considered that we were doing well if we cured ten per cent. of the cases of catarrh brought to us, but since the introduction of 'Bloodine' into our hospital we cure more than 90 per cent. of all the cases of Catarrh in its various forms brought to us. Catarrh of the Head, Catarrh of the Eyes, Catarrh of the Bladder and Urethra, Catarrh of the Larynx, Pelvic Catarrh, Catarrh of the Throat, and Catarrh of the Stomach are quickly cured with 'Bloodine.' It builds new tissues, gives new energy, new life, new blood and strength to any part of the body attacked by the Catarrhal germs."

"Bloodine is a powerful tonic, nourishing food medicine, composed of valuable tonic stimulants obtained from vegetable drugs. 'Bloodine' contains no narcotics or other dangerous drugs which merely deaden pain temporarily, but give no permanent relief or cure the cause of your disease. 'Bloodine' is a powerful body builder and blood maker; it is the best remedy known to the medical profession to enrich thin, watery blood and supply new, rich red blood to the whole body."

FREE. To prove the wonderful merits of BLOODINE we will mail a large sample bottle for 10 cents in silver or stamps for postage.

3d. It is constructed of malleable iron, material you can't beat, and of Charcoal iron, material that resists rust 300 percent greater than steel, is riveted together air tight. No heat escapes or cold air enters the range, thus uses very little fuel to do perfect work.

4th. The reservoir alone is worth the price of range over any other reservoir made. It boils fifteen gallons of water; is heated like a tea kettle, with pocket against left hand lining, and is movable and sets on a frame, hence cannot wear out. When water gets too hot it can be moved away from fire.

Majestic ranges use less fuel; heats more water—and heat it hotter; costs practically nothing for repairs; lasts three times as long; bakes better; easier to keep clean and gives better satisfaction than any other range on the market. If you know positively that the above statements are true, wouldn't you buy a Majestic at once?
